

Adric Gudbranson

UX Designer

EXPERIENCE

Senior UX Designer, Western Digital

April 2020 - Jan 2023 | Remote

As Lead UX Designer for the ArmorLock platform my responsibilities included:

- Facilitating our End-to-End design process.
- Managing tasks between multiple designers.
- Collaborating with Program and Product Managers, Engineers, Developers, QA, and other Designers.
- User research, information architecture, user journey mapping, prototyping, user testing, and visual design.
- Updating and maintaining the ArmorLock Design System.

UX Designer, betterU

Aug 2015 - Oct 2019 | Ottawa

As the first designer at betterU I quickly became a company-wide design advocate pushing for better standards and design processes.

- Conducted surveys and workshops to identify user pain points to inform design decisions and new features
- Improved eCommerce experiences across web and mobile platforms

Creative Lead, Lee Hecht Harrison Knightsbridge

Aug 2012 - Jul 2015 | Ottawa

Used a user-centered design approach throughout the creative design and development of eLearning courses for high-profile clients.

- Led a small team through the end-to-end design process to deliver eLearning content

Interactive Multimedia Developer, iPal

May 2010 - July 2012 | Ottawa

- Utilized HTML, CSS, JavaScript, and Adobe Creative Suite to create engaging and interactive multimedia experiences on various digital platforms.

EDUCATION

Interactive Multimedia Design and Development, Algonquin College

2008 - 2010 | Ottawa
